Dear Colleagues:

As summer slowly wanes, the Society is gearing up for autumn and many exciting events and opportunities for members to interact with one another.

We’ll be kicking off the 2015-2016 DCDS Educational Program Series on Tuesday, September 8th at the Westin Georgetown. Join us as we welcome speaker Dr. Asgeir Sigurdsson, whose presentation *Dental Trauma: Diagnosis and Emergency Treatment Modalities* will discuss the importance of understanding diagnosis and emergency treatment of the most common dental injuries. The meeting will begin at 5:45 p.m. and conclude with dinner. Members planning to attend the September meeting should RSVP before noon on Tuesday, September 8th either online or by phone at (202) 367-1163. I look forward to seeing old friends, as well as welcoming new faces to this month’s meeting.

We are seeking a few members to serve as greeters at the September 8th meeting to welcome attendees. If you’re interested in this volunteer opportunity, please reach out to the DCDS Business Office. The complete listing of 2015-2016 monthly meeting dates, speakers and topics is available to view and download to your digital calendars via the DC Dental Society website. For those wishing to obtain print labels of the 2015-2016 DCDC Educational Program Series, copies will be available at the registration desk onsite, as well as by contacting the DCDS Business Office.

Also this month is the DC Dental Society Charity Golf Tournament, being held on Wednesday, September 16th at the Bretton Woods Golf Course in Germantown, Maryland. Come out to enjoy a fun-filled day with friends and colleagues on the links. There will be drinks, food, and golf goodies for all participants! Registration for the event, although filling fast, is available via the DC Dental Society website. If you are unable to attend this year’s event, sponsorship opportunities are still available and donations are also being accepted. Proceeds from this year’s event will benefit the DCDS Foundation, the charitable and philanthropic arm of the Society.

The ADA is still seeking members to volunteer at the ADA Annual Meeting in Washington DC this November. The success of the ADA Annual Meeting in part depends on the dedication of local volunteers. I urge you to consider committing a few hours during the meeting to volunteer. To learn more about the benefits of volunteering, available positions and to sign-up, please visit the DCDS website or contact Jennifer Bell, DCDS Operations Manager, at jbell@dcdental.org or (202) 367-2483.

Please don’t hesitate to reach out to me or anyone on the Society’s board should you have any questions.

We are DCDS: passionate about our profession, our community, and our future!

Sincerely,

Julian Moiseiwitsch, B.D.S., Ph.D.
President, DC Dental Society

Volunteers Still Needed for the 2015 ADA Annual Meeting

The success of the ADA Annual Meeting depends on the dedication of outstanding volunteers - people just like you! To volunteer, please visit the ADA website and use the group code CLAWDC. Learn more about who can volunteer, the benefits of volunteering, and volunteering position descriptions. If you have any questions about volunteering, please contact Jennifer Bell, DCDS Operations Manager, at jbell@dcdental.org or (202) 367-2483.

Foundation Needs Members to Serve as Mentors

Due to high demand, the DCDS Foundation is looking for additional members to volunteer their time and serve as mentors to students from the Howard University College of Dentistry. The responsibilities of a mentor include establishing regular communications with the student, delivering information on organized dentistry and the Society’s activities, inviting and accompanying the student to DCDS meetings and activities, being a positive, ethical role model, inviting the student to the mentor’s office to observe, reinforcing the importance of organized dentistry, and if possible, inviting the student to at least one non-professional activity (home, club, social, recreational, sports, etc.) each year. Full details about the program are available on the DCDS Foundation website. If you are interested in volunteering to be a mentor, please contact the DC Dental Society office at (202) 367-1163 or via email at info@dcdental.org.
Register Now for the September 8th DCDS Meeting Featuring Dr. Asgeir Sigurdsson

The DC Dental Society kicks off its 2015-2016 educational program series this month. Join us on Tuesday, September 8th at the Westin Georgetown for Dr. Asgeir Sigurdsson’s presentation on Dental Trauma: Diagnosis and Emergency Treatment Modalities. Dr. Sigurdsson will emphasize the importance of understanding diagnosis and emergency treatment of the most common dental injuries.

Members planning to attend the September meeting should RSVP before noon on Tuesday, September 8th either online or by phone at (202) 367-1163.

2015 Wall of Wine

The DC Dental Society Foundation is excited and proud that its annual “Wall of Wine” fundraiser will be included at this year’s ADA annual meeting, November 5-7, 2015. Proceeds from the fundraiser will help the Foundation sponsor and implement oral health projects in the DC community.

As members of the Society, please consider aiding the Foundation’s Wall of Wine preparation efforts by:

1. Pre-purchasing $25 tickets for Wall of Wine pulls at the September and October DCDS Monthly Meetings
2. Pre-purchasing $25 gift certificates for wine pulls and give them as gifts to your staff, friends, and/or colleagues
3. Donating to the DCDS Foundation to supplement their Wall of Wine budget; and/or
4. Visiting the Wall during the ADA 2015 and purchasing a pull

Ticket purchases, gift certificates, and donations to the Foundation Wall of Wine are tax deductible as a charitable contribution. To learn more about or Wall of Wine Fundraiser, including sponsorship opportunities, please contact the DC Dental Society Staff at (202) 367-1163 or info@dcdental.org.

ADA Joins AMA Task Force to Reduce Opioid Abuse

The ADA has joined the American Medical Association (AMA) Task Force to Reduce Opioid Abuse, and its first initiative is to urge health care professionals to register for and use state-based prescription drug monitoring programs.

The task force is comprised of 27 physician organizations, 17 specialty and seven medical societies that are committed to identifying and implementing the best practices to combat this public health crisis. The task force believes that when prescription drug monitoring programs are fully funded, contain relevant clinical information and are available at the point of care, they have been shown to be an effective tool to help health care providers identify patients who may be misusing opioids.

More than 16,000 Americans died in 2013 from an overdose related to opioids; more than 8,000 died from one related to heroin; and nearly 44,000 died as a result of an overdose involving a prescription drug, according to the task force.

"As health care professionals, we’re on the front lines of this issue and see how it causes devastating destruction for every life that it touches," said ADA President Maxine Feinberg. "Together, we can harness the collective power of preventative education and intervention to help reverse this epidemic. The ADA stands firmly behind this task force."
